Hi, Kerwin -

~~It was a pleasure talking with you during the discussions of timing and process on the CFA~~

## Deliberative Process / Ex. 5

On a related note, we appreciated your commitment last July to work with EPA on the language of the ROD so that we are all clear on what it does and does not authorize. Let me know when you are ready to work on that.

Thanks for checking in. Have a nice weekend!  
-Kathy

Hi Nicole and Kathy,

It was good getting to talk to you both yesterday in regards to the Rosemont Copper project. As we discussed, I would appreciate it if you can send me the name, title, and contact information for the lead person who will be working on the project.

## Deliberative Process / Ex. 5

Thank you for your time and I appreciate your attention to the Rosemont project.

If you have any questions, please feel free to contact me.
